

INFINITE30 CASE STUDIES

Infinite30 Weight Loss & Wellness can improve your health and address issues such as high blood pressure, migraines and sleep disorders.

Introducing . . . MEGAN

BACKGROUND:

In addition to her weight, Megan was experiencing several health issues . . . high blood pressure, rosacea, frequent headaches and sleep difficulties. She had no energy at all.

RESULTS:

- ✓ Megan no longer has headaches.
- ✓ Megan's blood pressure has been great.
- ✓ Megan's energy level is off the charts..
- ✓ Megan is sleeping much better at night.
- ✓ Megan's lifestyle change is something she can pass on to loved ones and carry for the rest of her life.

Megan lost 68 pounds in his first 330 days on the Infinite30 program.

"Don't try a diet. Try a lifestyle change, something you can carry with yourself forever, pass it on down to your kids, your grandkids, whoever it is who is looking up to you. if you're looking for a change, Infinite30 is where you should start."
